## Playing Member Commitment

As a player representing Worthing Cricket Club in senior matches, training and other club related activities you are expected to abide by the following:

- I will play in the team for which I have been selected. The decision to select me for a particular team will be made by the Cricket Committee, with advice from the Captains. Selection will be based upon performance, availability, progressive improvement at training and reliability.
- If I am unsure of the reasons for non-selection, I will arrange a time to talk with the Director of Cricket, Team Captain or Cricket Committee Member.
- Teams will be selected by Cricket Committee the Wednesday of the week leading up to a Saturday fixture.
- My annual subscription to Worthing Cricket Club will be paid no later than May 31st of the current season. If I have not paid my subscription by May 31st, I understand I will be making myself unavailable for selection.
- My match fees will be paid on the day of the game to the club member who is collecting the money for the team in which I played.
- I will inform the selection committee of my availability for a game as early as possible, preferably at least one week in advance. I understand that the later I make people aware of my availability, the more likely it is I may not be selected.
- I will avoid dropping out of a match after Wednesday of the week where I had previously indicated I was available. I understand if I do drop out of a match after a Wednesday, there is no guarantee that I will be selected for the next match.
- I will do my utmost to attend any club events. I understand that fundraising and supporting these events allows the club to make cricket available to me and the other members of the club.
- I will ensure my conduct on the field will be that expected of a member of Worthing Cricket Club and within the 'Spirit of Cricket'. I will respect my teammates and opposition at all times. Poor conduct and discipline are unacceptable, and should I ignore this, I understand it will be addressed by the Captain and Club in the relevant manner.
- I will ensure my off-field conduct will be appropriate and respectful to the club members age range.

Playing Members include all players participating in senior league, friendly and training activities run by or in association with Worthing Cricket Club and use of its playing facilities
