Guide to Juniors Shirts for 2021

New Match Day Shirts for 2021

Depending on your child's age, your choice of shirt will fall into one of two categories:

- White Match Day Shirts for U11-U16 (school years 6 to 11)
- Royal Blue Training and Match Day Shirts for U10s (school years 3 - 5)

Note, if you are signing up for the **ECB All Stars** programme, you do not need to purchase a match shirt, as you will receive a T-shirt as part of the 'All Stars' pack.

White Match Day Shirts for U11-U16 (school years 6 to 11)

As you may have read in our recent Junior Newsletter, we have a new white match day shirt available for our Junior players; this is at a subsidised rate for 2021.

The subsidised amount is £10 for a child sized shirt, making the cost to you £20 (usual RRP is £30).

Should you have an older child requiring an adult sized shirt, there will be a £5 surcharge i.e., the cost will be £25 (usual RRP is £36). This pricing can only be achieved by ordering through the club using our online form.

These shirts are personalised with the child's surname and squad no. printed on the back of each shirt. Should there be more than one child with the same surname, their first initial will precede their surname.

Royal Blue Training and Match Day Shirts for U8s - U10s (school years 3 - 5)

For 2021, we have introduced a less expensive shirt for our youngest players so that they can try our sport without the same initial outlay. As with the older Junior shirts, these will be subsidised too and will cost £8 (usual RRP £13).

These shirts are personalised with a first name, shortened name, or nickname on the front of the shirt, up to a maximum of 7 letters.

Size Guidance

We would normally encourage you to try a sample at 'Broadwater Sports'; unfortunately, due to Covid related restrictions, you won't be able to do this until after 12th April, which is after the date we need to place our initial order.

We therefore suggest you use the below size guides to ensure best fit. If you feel you need further support with regards to this matter, please add this into the "additional comments" field and we can have one of our junior managers contact you to discuss their recommendation for your child.

ADIDAS White Shirt Size Guide

We have not changed the make of our white shirts from previous seasons, so by using the below Adidas size guide, together with any Worthing CC match shirts that you may already have, you should be able to gauge what size will work best for you.

We would recommend that you err on the size of caution and go slightly bigger when purchasing children's shirts; we have found Adidas do tend to come up slightly on the small side and match day shirts can easily be tucked in.

U10 Softball, Blue Shirt Size Guide

These shirts are the same make as many of the PE shirts supplied by Broadwater Sports to our local schools. If your child wears a polyester PE shirt with the code JC 001J on the label, this can be used to help you determine the correct sizing, along with the below guidance on chest sizes.

- Age 7-8 = 30" chest
- Age 9-11 = 32" chest
- Age 12-13 = 34" chest

Order Process

Please use the on-line form on our Juniors page to place your orders. Orders received by the 1st April will be included in our first delivery, expected to be ready by the first week of May.

We will be placing additional orders after this date, as required. Expectations around availability will be communicated as and when the orders are placed, but it is anticipated that any future shirt orders will be available within 4 weeks of order placement.

Note that having a new white shirt is not mandatory; however, we strongly encourage Juniors playing "open age" cricket (senior games) to change to the new shirts, to help with appearance and club uniformity across our senior teams. If your child intends to participate in open age cricket and would like to order a new shirt, please can you ensure we have their order details by **24th March** and make a corresponding note in the "additional comments" box.

We would also like to kindly request that our younger players purchase the Blue Shirts to support the feeling of being part of a group, as we consider this important when starting out at a new club. These Shirts will have the player's first name on the front together with the club sponsors' branding and our Worthing CC crest.

If your child's name is longer than 7 letters, please consider using a shortened version of their name or a suitable nickname. Nicknames are subject to approval and can only be used with the Blue shirts.

Payment

Details of how to make payment are provided in the order form. Please make a note of the details and provide us with your payment as soon as possible so we can process your orders without delay.
