

Worthing Cricket Club Training & Match Guide

2021 Version 1

Valid 12th April onwards

Cricket training and matches are now permitted, providing certain measures are undertaken by the Club. All participants, parents / carers should familiarise themselves with the latest [Government guidance on COVID-19](#). They should also read the ECB's full guidelines, summary and the club's risk assessment. All of these plus other Covid specific documents can be found in [WorthingCC policies](#).

The ECB guidelines are summarised here (click to access full ECB resource):

In addition to Government and ECB guidelines, Worthing CC requires all members, guests, players and spectators to adhere to the following club specific instructions.

1. **Preparation:** Prior to all matches, both sides must prepare a team card (either hard copy or electronically) and this will be retained by their Worthing CC match contact. This must list their own players' names, including any officials (including scorer) who will be directly involved in the match. This team card must also include the name and contact number/email address of the key club contact who can be contacted in the event of a need to 'Test and trace' as per NHS and Government guidance.
2. **Car Park:** Upon arrival, if there is insufficient room to park safely, respecting social distancing guidelines, then please park on Georgia Avenue or the other streets adjoining the Manor Ground.
3. **Arrival for matches:** Upon arrival the Worthing CC match contact will direct all players (inc. playing visitors) to their marked-out 'club area' in which they must put their bags and ensure they maintain social distancing as per Government guidelines.
4. **Pavilion:** The pavilion will be open on match-days for usage of toilets and occasionally to purchase refreshments (see **Bar**). There will be a clearly signed, one-way system in operation and hand sanitizer will be provided upon entry and exit.
- **Spectators:** Spectators are not currently permitted. This does not apply to carers for people with disabilities or adults needed to supervise under-18s in a

safeguarding capacity. Supervising adults must sign in using the NHS App by scanning the QR code provided at the Manor Ground.

5. **Bar:** The bar will be opened in line with government guidelines around hospitality. Please review the detailed instructions that will be displayed upon entry to the pavilion.
6. **Toilets:** The toilets in use will be signposted. Please follow the one-way system in operation when entering the pavilion. Hand sanitizer is provided on entrance and exit. Players will be asked to use the toilets in the Away changing rooms (entrance by the car park)
7. **Match regulation:** Worthing CC will be following ECB Government and ECB guidance; however, all users participate at their own risk.

Thank you for your cooperation in adhering to these guidelines and helping Worthing CC facilitate the safe resumption of junior and senior cricket.
